

English as an Additional Language Policy

Withington Girls' School

September 2016

1 Introduction

- 1.1 The term English as an Additional Language (**EAL**) is used when referring to pupils for whom either (i) English was learned after another language *or* (ii) the main language spoken at home is not English.
- 1.2 A child must not be regarded as having a learning difficulty solely because the "*language or (form of language) in which he or she is or will be taught is different from a language (or form of language) which is or has been spoken at home*" (section 20(4) of the Children and Families Act 2014). However, pupils for whom English is an additional language will be provided with appropriate support provided they meet the School's academic criteria.
- 1.3 This policy sets out the School's aims, objectives and strategies with regard to the needs and skills of EAL pupils.

2 Aims and objectives

- 2.1 To welcome and value the cultural, linguistic and education experiences that pupils with EAL bring to the School.
- 2.2 To implement school-wide strategies to ensure that EAL pupils are supported in accessing the curriculum.
- 2.3 To help EAL pupils to become confident and fluent in English in order to be able to fulfil their academic potential.
- 2.4 To be able to assess the skills and needs of pupils with EAL and to give appropriate provision throughout the School.
- 2.5 To equip teachers with the knowledge, skills and resources to be able to support and monitor pupils with EAL.
- 2.6 To monitor pupils' progress systematically and use the data in decisions about classroom management and curriculum planning.
- 2.7 To maintain pupils' self-esteem and confidence by acknowledging and giving status to their skills in their own languages where there are opportunities to do so.

3 Strategies

- 3.1 All pupils will be assessed on their arrival to the School to identify any specific difficulties they might have with working in English and the support they may require. Where the pupil's level of English is such that it does not affect their understanding or learning, the School will not be required to provide specific additional support; however, the School will monitor the pupil's progress and such support will be provided should the situation change.
- 3.2 The School will ensure that EAL pupils are set appropriate and challenging learning objectives.
- 3.3 Pupils who receive assistance with EAL will be fully integrated into school life and will be provided with appropriate support as required.
- 3.4 The School will ensure that:
 - 3.4.1 All involved in teaching EAL pupils liaise regularly and that relevant information on pupils with EAL reaches all staff.

- 3.4.2 Training in planning, teaching and assessing EAL pupils is available to staff.
- 3.4.3 The effectiveness of the teaching of pupils with EAL is monitored and data collection is managed.
- 3.4.4 Any bullying of which the School becomes aware will be dealt with in accordance with the School's anti-bullying policy.
- 3.5 All teaching staff can assist by:
 - 3.5.1 Be knowledgeable about pupils' abilities and needs in English and other subjects.
 - 3.5.2 Ensure the pupil's name is pronounced correctly and that he or she is included as much as possible.
 - 3.5.3 Use this knowledge effectively in curriculum planning, classroom teaching and grouping.
- 3.6 Any concerns about the well-being of a pupil with EAL should be referred to the appropriate Head of Year.
- 3.7 If the School has reason to suspect that a pupil with EAL may also have special educational needs, the Parents and the School will refer to the sections in the special educational needs policy.
