WELCOME FROM THE PTA

It is with great pleasure that we welcome you to the Withington PTA section of the school. This section aims to keep you up-to-date with PTA fundraising activities and social events.

The main aim of the PTA is to provide a platform for parents to meet one another, and fund some additional services to enhance our daughters' experiences whilst at school.

We hold an Annual Dinner Dance, which is a wonderful opportunity to meet other parents and friends. It is also one of two fundraising events the PTA holds during the year.

A Junior School Family Fun Night is held during the autumn term and has been enjoyed by many girls and their families for a number of years.

The Spring Fair is traditionally held the Saturday before Mothering Sunday and involves the whole school. The girls particularly enjoy participating by organising and running stalls.

Since its launch in 1995, parent members of the 300 Club have helped raise money each year. Whilst helping to provide additional facilities for the girls, members have the opportunity to win cash prizes. All parents are able to contribute to fundraising activities by joining the 300 Club. Please refer to the school website to see how you help.

The WGS SHU is our second-hand uniform service, which is available through a monthly pop-up shop or via an online ordering service. Again, please look at the relevant section of the website to see how to do this.

Please consider how you can help. It may be an hour of your time, a donation or fundraising idea. We are all aiming to ensure our daughters enjoy the best experiences and all help is most gratefully welcomed.

PTA SUPPORT TO THE SCHOOL

The PTA is comprised of teachers and parents who work closely together to support the school. It is this close relationship that allows the PTA to target specific items that are needed to enhance the school's efforts in providing the best environment for our daughters.

Over the last few years, the PTA has helped to fund additional equipment to the school. The support has seen the girls benefit from their own fundraising efforts through the Spring Fair but also through the efforts of the PTA. Such equipment is listed here-

A minibus

A piano for the Junior School

An outdoor garden area

Percussion instruments for Music

A camera for Art

Sports shelters

Stair climber for the sports centre

Junior Fun Night

Spring Fair
