PARENTS FUNDING FUTURES

We're sure it was an emotional moment for you as a parent when you sent your daughter off to WGS for the very first time, knowing that you had provided an opportunity for her to benefit from everything that Withington can offer.

Since our founding in 1890, our vision and ethos has always been to create a warm community centred on equality and opportunity, irrespective of a pupil's race, religion, social background and financial situation, ensuring that Withington remains a true centre for excellence open to all.

Providing bursary support to bright girls who would not otherwise be able to benefit from a Withington education is positive for all pupils in our care. It helps us uphold the principles of social cohesion, diversity and inclusion that we have long held dear.

As part of our Withington community, we would like to invite you to partner with us to help transform opportunities for other young girls with potential to take their place alongside your daughter at Withington.

ADD A DONATION TO YOUR FEE PAYMENTS

We are aiming to increase provision to support 1 in 5 Withington pupils with a bursary and reduce the number of talented girls who are unable to take up their place at Withington, simply due to their family's financial situation. **To do this we need your help.**

Our 'Parents Funding Futures' scheme gives you the opportunity to add a donation towards the Bursary Fund to your annual, termly or monthly fee payment, making it easier to support able girls to reach their true potential who would otherwise miss out on all that a Withington education offers. What's more, if you are eligible to Gift Aid the extra donation, it will be worth 25% more.

“Donating to the Bursary Fund helps to maintain the diversity at Withington. It’s something that is a real focus of the school. The fact that people do donate helps to keep that alive; not everyone has to be from one background, everyone can come from anywhere.”

MAISIE Bursary Ambassador

“As parents, we all want to provide the very best opportunities we can for our children, especially when it comes to education, but I know that not all families are fortunate enough to have the same choices that we do. By donating to the Bursary Fund we feel that we are opening the door for someone else’s child to have the kind of educational experience that we wanted for our daughter.”

MR CAMPBELL Parent

WILL YOU GIVE A BRIGHT GIRL THE OPPORTUNITY TO SHINE?

- Every gift, no matter what size, makes a difference. Please consider adding a donation, or rounding up your monthly fee payment to support the Bursary Fund:
- **53 families giving £10 per month (over 10 months), with Gift Aid, would support another family in giving their child an outstanding education by funding the equivalent of a 50% bursary for a full year.**
 - **34 families giving £20 per month (over 10 months), with Gift Aid, would help ensure an able girl doesn’t miss out on her place at Withington by funding the equivalent of a 63.2% bursary (the average level awarded) for a full year.**
 - **22 families giving £50 per month (over 10 months), with Gift Aid, would break down barriers by meeting the equivalent of 100% of school fees for one bursary student for a full year.**
- Or adding a donation or rounding up your termly payments:
- **36 families giving £100 per term, with Gift Aid, would support a talented girl to reach her full potential by funding the equivalent of a full bursary for a year.**
 - **10 families giving £250 per term, with Gift Aid, would open countless opportunities by providing the equivalent of two thirds of the school fees for an aspiring young mind.**
 - **14 families giving £500 per term, with Gift Aid, would provide the equivalent of a full, two-year, Sixth Form bursary for a girl striving to make her mark on the world.**

HOW OUR BURSARIES ARE FUNDED

Bursaries are funded by a partnership between the school, our donors and the WGS Trust.

The WGS Trust is a registered charity (no. 505207) and the custodian of our donors’ generosity, investing the capital to provide sustainable, long-term support for bursaries. Unless an alternative preference is specified, donations to the WGS Trust will be invested to provide sustainable, long-term income to support bursaries.

The school’s Governors are investing in generations of Withington pupils by donating the equivalent of 4% of fee income each year to the WGS Trust for bursary provision, upholding the ethos of the school to maintain Withington’s position as a true centre of excellence open to all.

If you would like to discuss your support for bursaries, or other methods of giving tax effectively, please contact Lesley Dowdall, Director of Development on ldowdall@wgs.org or **0161 249 3491**.

Thank you for considering giving bright girls the opportunity to shine
