

# TRAVEL GUIDE

Transport to and from the School is an important issue for our parents/guardians and pupils, the majority of whom live more than 5km away. We have taken a proactive approach in this area and are committed to providing sustainable travel, offering parents/guardians and pupils a range of transport options.

For services other than Swinton Travel (which is arranged through the School), please contact bus companies directly to book your seat and purchase your pass.

**Please note that girls should arrive at bus stops at least 5 minutes prior to the pick up time stated. All timings are dependent on traffic conditions.**

## LATE SERVICES

### Late 158/141 Bus

Serving South Manchester, a late bus - combining the Bullocks services (158 and 141) - is run in partnership with Manchester High School for Girls, leaving School at 5.15pm, travelling from MHSG and along Kingsway, stopping at John Lewis and Cheadle before going onto Hale and Bowdon. This service runs Monday to Thursday and there is no additional charge for pupils holding a termly pass. Termly and 'Flexi' passes are available, along with single and day return tickets for ad hoc use.

### McCarthy's Bus

McCarthy's provide a well-established private coach service to Macclesfield, Prestbury, Alderley Edge, Wilmslow and Handforth. A late service is available for all girls booked on this route - from Monday to Friday - at a small additional cost. This provides girls with the flexibility of either taking the coach home at the end of school or using the late service at 5.15pm when they have after-school activities. Please contact McCarthy's on 01625 425060 for further information.

### City Centre Shuttle

The Shuttle Bus late service operates Monday to Friday at 5.15pm to fit in with after-school activities. Termly and 'Flexi' passes are available, along with single and day return tickets for ad hoc use.

## PAYMENT

Payments for the Swinton Travel Bolton service is made through ParentPay, all other contracts and payments are made directly with the coach companies.

## TRAVEL BY BICYCLE

---

A small number of pupils and a regular group of staff cycle to school each day. We are able to provide covered cycle storage and were fortunate to obtain a grant of matched funding from Sustrans providing additional storage.

## TRAVEL BY CAR

---

A number of parents/guardians choose to drop their daughters off on their way to work in the morning and use a bus service in the afternoon. We are able to help parents/guardians who wish to car-share, either in the morning or the afternoon.

## ROAD USAGE AROUND SCHOOL

---

Collection and drop-off points for school buses have been carefully planned to minimise inconvenience to local residents and to ensure the safety of our pupils. We would like to thank all parents/guardians for their cooperation in driving and parking safely and would be grateful for continued support in this regard.

**“The 158 service is a reliable way of getting the children safely to school and back. The route suits us really well with handy bus stops and pick up near school.”**

Parent of Y8 & Y10 pupils

“The Hale supervised bus service offers a reliable, convenient and safe way of getting to school. My daughter can catch up with friends and the supervision gives us the peace of mind that somebody is keeping a watchful eye on her!”

Parent of Y5 pupil

“The City Centre Shuttle service has ensured my daughter can participate in after school activities without any concern about how she will get home. She has expressed her satisfaction numerous times on the professionalism of the drivers and the extra care they take to ensure students are safe.”

Parent of Y7 pupil

“Over many years, we have found the travel service from Whitefield to school, friendly, completely reliable and extremely convenient in every way possible. Long may it continue.”

Parent of Y9 pupil
