Dear Parents

The Physics Department has arranged a visit for all the Lower Fifth girls to visit Alton Towers on Monday 10th June 2013. In our current specification many of the topics such as circular motion and energy transfers have applications in theme park rides and it is hoped as well as being a fun day out the girls will be able to see some of the Physics in action! The girls will attend a 45-minute lesson provided by the Education Department entitled Roller-coaster and Relativity and will be given some worksheets to complete during the day.

The coaches, equipped with seatbelts, will leave school at 09.00am and will return at **6.00pm**. The girls will require a packed lunch, sensible footwear and a waterproof coat. A clipboard would also be useful for completing worksheets as we walk around.

Girls and parents should be aware that the usual code of conduct will apply during the trip.

The cost of the trip is £22.50 which includes the cost of the lesson, worksheets, entry and the coach.

Please complete and return the consent form and return it to your daughter's Form Teacher by 10th May, together with a cheque for £22.50, made payable to Withington Girls' School.

Yours sincerely

Mrs L. Bradshaw
Head of Physics

**Alton Towers Visit
Monday 10th June 2013**

I give my permission for my daughter..... Form

to go on the Lower Fifth visit to Alton Towers on Monday 10th June and I enclose a cheque for £22.50 made payable to Withington Girls' School. I will collect her from School at 18:00.

I consent to staff using the data stored on the School network relating to contact details and my daughter's medical condition in case of an emergency.

Emergency contact number (if different to that on the network)

Please state below any additional medical details of which staff need to be aware for the visit:

Parent's signature Date.....
