15th April 2013

Dear Parents,

The Physics Department has arranged a visit for all the Lower Fourth girls to visit Jodrell Bank on Tuesday 21st May 2013. The girls will attend a one hour lesson provided by the Education Department to look at how we explore the Universe and a short session in the dome to observe the night sky. The girls will then be given work to do as they move around the Discovery Centre.

The coaches, equipped with seatbelts, will leave school at 09.15 and will return by 14:30. The girls will return to normal lessons for periods 7 and 8.

The School will provide your daughter with a packed lunch.

Some of the activities will be outside so it is essential that the girls have a waterproof coat. A clipboard would also be useful for completing worksheets as we walk around.

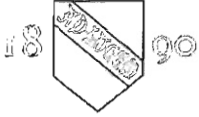

Girls and parents should be aware that the usual code of conduct will apply during the trip.

The cost of the trip is £11.50 which includes the cost of the lesson, worksheets, entry and the coach.

Please complete and return the consent form and return it to your daughter's Form Teacher by 10th May, together with a cheque for £11.50, made payable to Withington Girls' School.

Yours sincerely,

Mrs L. Bradshaw
Head of Physics

Jodrell Bank Visit

I give my permission for my daughter
of Form to go on the Lower Fourth visit to Jodrell Bank on
Tuesday 21st May and I enclose a cheque for £11.50 made payable to
Withington Girls' School.

I consent to staff using the data stored on the School network relating to
contact details and my daughter's medical condition in case of an emergency.

Emergency contact number (if different to that on the network)

Please state below any additional medical details of which staff need to be
aware for the visit:

Signed: Date.....
